Principal's Message

Dear Parents, Students, and Guests,

It is my pleasure to welcome you to our school's aesthetics showcase, Celebration of the Arts (COTA). This year's drama-based multidisciplinary production, Dare to Soar, is a theme that deeply resonates with us all. Just as we have emerged stronger each time through the cycles of seemingly unceasing challenges of the Covid-19 pandemic, the protagonist in the plot gained determination and courage as she faced her fears. Communicating through their expressive, emotive and creative performances, our students will take us on a journey of self-discovery, resilience, and hope.

The production involves countless hours of preparation and collaboration among a dedicated team of teachers, instructors and students. It is a transformational platform for our students to challenge themselves, work collaboratively, and build their confidence and skills. I am proud of our students and teachers for their dedication and hard work in making this showcase a reality.

I would like to extend my heartfelt thanks to all staff, instructors, students and everyone who has contributed or supported this showcase in one way or another – it is a testament of your resilience and perseverance.

Finally, I invite you to sit back, relax, and enjoy the show. May it fill your hearts with joy, inspire your minds, and remind us of the limitless potential of the human spirit.

Sincerely,

Mrs Grace Chua

About the Drama

A girl is invited to participate in a school play but she hesitates even though she loves performing. Through six drama scenes weaving together CCA performances and student-led items, the girl navigates through different thoughts of fear, determination, courage and focus. When a friend reaches out to her, the girl reignites her convictions, and they perform together with hopes for the future.

Hesitation

Scene 1

A Girl is offered to perform but hesitates to accept it. At home, Determination, Courage, and Focus falter as Fear manifests in huge numbers.

Chinese Orchestra – 狮王争霸

Wong Fei-hung and his disciples take part in the lion dance competition to thwart an evil plan and put a conceited competitor in his place.

Not Giving Up Easily

Scene 2

A Friend and Schoolmate come to know about the Girl's refusal to perform and try to contact her. Meanwhile, Fear compels the Girl to recall her bad experience in a previous performance.

Indian Dance – Agni Nadanam (Fire dance)

A story of how a blazing fire gets stronger with the presence of wind. The fire finally calms down with the empowering rain.

Music Improvisation TDP, Cello Solo (Huang Yi Yuan) & Yo-yo player (Quek Hyun Ee) – Somewhere Over The Rainbow

The rainbow represents hope because it is a symbol of beauty and light after a storm. Students with different abilities collaborate to improvise different parts over the composition.

Taking Charge

Scene 3

The Girl distracts herself with video games as her Friend tries to reach her. Focus brings the Girl back to reality, and the Girl panics.

Voice Improvisation TDP – The Climb

This song tells of overcoming struggles and striving towards the goal, and to keep believing in oneself. Listen out for the improvised layers created by the students as they express their thoughts through the song.

Malay Dance – *Samrah Perpaduan*

An energetic dance that depicts progression, teamwork and perseverance against all odds.

Choir – All Things Are Connected

This powerful song speaks of caring for the earth and our environment.

Overcoming Fear

Scene 5

As Fear weakens, Determination, Courage and Focus decide to face Fear straight on. They are interrupted by Friend and Schoolmate who arrive unannounced.

Chinese Dance – Having Dreams

Children having dreams, holding paper in their hands, dancing around, letting dreams set sail.

Hope for the Future

Scene 6

The Girl prepares to perform and reconciles her thoughts and feelings. Together with Friend and Schoolmate, they step forward with hope for the future.
